When we receive any request to access, edit or delete PII, we will first take reasonable steps to verify your identity before granting you access or otherwise taking any action. This is important to safeguard your information.

### **Our Cyber Security Policy**

Our company is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to sell our products and services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

### ***Payment:***

If you choose a direct payment gateway to complete your purchase, then Wix stores your credit card data. It is encrypted through the Payment Card Industry Data Security Standard (PCI-DSS). Your purchase transaction data is stored only

as long as is necessary to complete your purchase transaction. After that is complete, your purchase transaction information is deleted.

All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover.

PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

### **How Do We Communicate With Our Site Visitors?**

We may contact you to notify you regarding your order, to troubleshoot problems with your order, to resolve a dispute, to collect fees or monies owed, to poll your opinions through surveys or questionnaires, to send updates about our company, or as otherwise necessary to contact you to enforce our User Agreement, applicable national laws, and any agreement we may have with you. For these purposes, we may contact you via email, telephone, text messages, and postal mail.

### **Third-party Services**

Wix has partnered with a number of selected service providers, whose services and solutions complement, facilitate and enhance our own. These include hosting and server co-location services, communications and content delivery networks (CDNs), data and cybersecurity services, billing and payment

processing services, domain name registrars, fraud detection and prevention services, web analytics, e-mail distribution and monitoring services, session recording and remote access services, performance measurement and data optimization services, content providers, and our legal and financial advisors (collectively, “Third Party Service(s)”).

Such Third-Party Services may receive or otherwise have access to our Visitors’ and Users’ Personal Information and/or Users-of-Users’ Personal Information, in its entirety or in part – depending on each of their particular roles and purposes in facilitating and enhancing our Services, and may only use it for such purposes.

Note that while our Services may contain links to other websites or services, we are not responsible for such websites’ or services’ privacy practices, and encourage you to be aware when you leave our Services and read the privacy statements of each and every website and service you visit. This Privacy Policy does not apply to such linked third-party websites and services.

Wix is accountable for personal data that it receives under the Privacy Shield and subsequently transfers to a third party as described in the Privacy Shield Principles. In particular, Wix remains responsible and liable under the Privacy Shield Principles if third-party agents that it engages to process the personal data on its behalf do so in a manner inconsistent with the Principles unless Wix proves that it is not responsible for the event giving rise to the damage.

## **SECURITY**

Wix has implemented security measures designed to protect the Personal Information you share with us, including physical, electronic and procedural measures. Among other things, we offer HTTPS secure access to most areas on our Services; the transmission of sensitive payment information (such as a credit card number) through our designated purchase forms is protected by an industry standard SSL/TLS encrypted connection; and we regularly maintain a PCI DSS (Payment Card Industry Data Security Standards) certification. We also regularly monitor our systems for possible vulnerabilities and attacks and regularly seek

new ways and Third-Party Services for further enhancing the security of our Services and protection of our Visitors' and Users' privacy.

However – regardless of the measures and efforts taken by Wix, we cannot and do not guarantee the absolute protection and security of your Personal Information, your Users-of-Users' Information or any other User Content you upload, publish or otherwise share with Wix or anyone else.

We, therefore, encourage you to set strong passwords for your User Account and User Website and avoid providing us with any sensitive information which you believe its disclosure could cause you substantial or irreparable harm. Furthermore, because certain areas on our Services are less secure than others (for example, if you set your Support forum ticket to be “Public” instead of “Private”, or if you browse to a non-SSL page), and since e-mail and instant messaging are not recognized as secure forms of communications, we request and encourage you not to share any Personal Information on any of these areas or via any of these methods.

### **Limitation of Liability**

You assume the sole risk of transmitting your information as it relates to the use of this Website, and for any data corruptions, intentional interceptions, intrusions or unauthorized access to information, or of any delays, interruptions to or failures preventing the use of this Website. In no event shall Bio-Mastery for Business be liable for any direct, indirect, special, consequential or monetary damages, including fees, and penalties in connection with your use of materials posted on this Website or connectivity to or from this site to any other site.

from a child. If you are a parent or guardian and believe your child is using our Website, please contact us.

We may ask for proof of identification before we remove any information to prevent malicious removal of account information. If we discover on our own that a child is accessing our Website, we will delete the information as soon as we discover it, we will not use the information for any purpose, and we will not disclose the information to third parties. You acknowledge that we do not verify the age of our users nor do we have any liability to do so. If you are a child, please seek the permission of a parent or guardian before accessing our Website.

### **Our Email Policy**

We comply with the federal CAN-SPAM Act. You can always opt-out of receipt of further email correspondence from us or our affiliates. We will not sell, rent, or trade your email address to any unaffiliated third party without your permission (except in the sale or transfer of our business).

### **Other Websites**

Our Website may contain links to other websites. You understand that these websites are not under our control and are not subject to our Privacy Policy. These websites will likely have their own privacy policies, and we urge you to read those policies before using the website. We have no responsibility for these websites and provide links to these websites solely for your convenience. You acknowledge that your use and access to these other websites is solely at your own risk.
